PRELIMINARY TERM SHEET DATED NOVEMBER 30, 2018

**Batavia Park District, Kane County, Illinois
\$691,395* General Obligation Limited Tax Park Bonds, Series 2018**

Authorization: The Bonds are being issued pursuant to the Park District Code of the State of Illinois and the Local Government Debt Reform Act of the State of Illinois (the "Debt Reform Act"), each as supplemented and amended, and an ordinance to be adopted by the Board of Park Commissioners of the District on the Award Date.

Purpose: Proceeds of the Bonds will be used for various capital projects and to pay the costs of issuance of the Bonds.

Security: In the opinion of Bond Counsel, the Bonds are valid and legally binding upon the District and are payable from any funds of the District legally available for such purpose, and all taxable property in the District is subject to the levy of taxes to pay the same without limitation as to rate, except that the rights of the owners of the Bonds and the enforceability of the Bonds may be limited by bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights and by equitable principles, whether considered at law or in equity, including the exercise of judicial discretion. The amount of said taxes that may be extended to pay the Bonds is limited as provided by the Property Tax Extension Limitation Law of the State of Illinois, as amended (the "Tax Extension Limitation Law").

The Debt Reform Act provides that the Bonds are payable from the debt service extension base of the District (the "Base"), which is an amount equal to that portion of the extension for the District for the 1994 levy year constituting an extension for payment of principal and interest on bonds issued by the District without referendum, but not including alternate bonds issued under Section 15 of the Debt Reform Act or refunding obligations issued to refund or to continue to refund obligations of the District initially issued pursuant to referendum, increased each year, commencing with the 2009 levy year, by the lesser of 5% or the percentage increase in the Consumer Price Index (as defined in the Tax Extension Limitation Law) during the 12-month calendar year preceding the levy year. The amount of the Base for the 2018 levy year is \$704,273.04. The Tax Extension Limitation Law further provides that the annual amount of taxes to be extended to pay the Bonds and all other limited bonds hereafter issued by the District shall not exceed the Base.

The Bonds will constitute the only series of limited bonds of the District payable from the Base. The District is authorized to issue from time to time additional limited bonds payable from the Base, as permitted by law, and to determine the lien priority of payments to be made from the Base to pay the District's limited bonds.
