**Rule G-34, as Amended:** Rule G-34, as amended, extends to non-dealer municipal advisors the requirement that a municipal advisor obtain a CUSIP number when advising on a competitive transaction in municipal securities.

Rule G-34, as amended, provides a principles-based exception for municipal advisors in competitive sales from the CUSIP number requirements when selling a new issue of municipal securities in certain circumstances where the municipal advisor reasonably believes (e.g., by obtaining a written representation) that the present intent of the purchasing entity is to hold the municipal securities to maturity or earlier redemption or mandatory tender. Specifically, Rule G-34(a)(i)(F) provides as follows:

“(F) [A] municipal advisor advising the issuer with respect to a competitive sale of a new issue, which is being purchased directly by a bank, any entity directly or indirectly controlled by the bank or under common control with the bank, other than a broker, dealer or municipal securities dealer ... may elect not to apply for assignment of a CUSIP number or numbers if the ... municipal advisor reasonably believes (e.g., by obtaining a written representation) that the present intent of the purchasing entity or entities is to hold the municipal securities to maturity ...”

\$740,140\* General Obligation Limited Tax Park Bonds, Series 2018**

**Security (cont.):**

The Debt Reform Act provides that the Bonds are payable from the debt service extension base of the District (the "Base"), which is an amount equal to that portion of the extension for the District for the 1996 levy year constituting an extension for payment of principal and interest on bonds issued by the District without referendum, but not including alternate bonds issued under Section 15 of the Debt Reform Act or refunding obligations issued to refund or to continue to refund obligations of the District initially issued pursuant to referendum, increased each year, commencing with the 2009 levy year, by the lesser of 5% or the percentage increase in the Consumer Price Index (as defined in the Tax Extension Limitation Law) during the 12-month calendar year preceding the levy year. The amount of the Base for the 2018 levy year is \$833,255.87. The Tax Extension Limitation Law further provides that the annual amount of taxes to be extended to pay the Bonds and all other limited bonds heretofore and hereafter issued by the District shall not exceed the Base.

The Bonds will constitute one of three series of limited bonds of the District payable from the Base and payments on the Bonds will be made on parity with the General Obligation Limited Tax Park Bonds, Series 2016, and the General Obligation Limited Tax Park Bonds, Series 2017. The District is authorized to issue from time to time additional limited bonds payable from the Base, as permitted by law, and to determine the lien priority of payments to be made from the Base to pay the District's limited bonds.

**Illinois Property Tax  
Extension Limitation Law:**

The District, as a non-home rule unit of local government located in Champaign County, Illinois, became subject to the Tax Extension Limitation Law in 1996 pursuant to a legislative action by the General Assembly. The effect of the Tax Extension Limitation Law is to limit the amount of property taxes that can be extended for a taxing body. In addition, general obligation bonds, notes and installment contracts payable from ad valorem taxes unlimited as to rate and amount cannot be issued by the affected taxing bodies unless the obligations first are approved at a direct referendum, are alternate bonds or are for certain refunding purposes.

Public Act 89-385, effective August 18, 1995, permits local governments, including the District, to issue limited tax bonds in lieu of general obligation bonds that have otherwise been authorized by applicable law.

**Denomination:**

\$5.00 denominations.

**Municipal Advisor:**

Speer Financial, Inc., Chicago, Illinois.
