

PRELIMINARY TERM SHEET DATED OCTOBER 8, 2024

**Oak Lawn Park District, Cook County, Illinois
\$2,400,915* General Obligation Limited Tax Park Bonds, Series 2024A**

Issuer: Oak Lawn Park District, Cook County, Illinois (the "District").

Issue: \$2,400,915* General Obligation Limited Tax Park Bonds, Series 2024A (the "Bonds").

Bid(s) Due: October 21, 2024 by 10:15 A.M. C.S.T.

Award Date: October 21, 2024.

Dated/Delivery Date: November 6, 2024.

Purchaser: _____ (the "Purchaser").

Interest Payment Date: Interest is due on December 1, 2025. Interest is calculated on the basis of a 360-day year consisting of twelve 30-day months.

Principal Due: December 1, 2025.

Maturity, Amount, And Interest Rate:

<u>Maturity</u> <u>December 1</u>	<u>Principal</u> <u>Amount</u>	<u>Interest</u> <u>Rate</u>	<u>Yield</u>
2025	\$2,400,915*	_____%	_____%

Purchase Price: Par.

Good Faith Deposit: A good faith deposit will **NOT** be required.

Bank Qualification: The Bonds are **not** "qualified tax-exempt obligations" under Section 265(b)(3) of the Internal Revenue Code of 1986, as amended.

Original Issue Discount: The Bonds do not pay interest until a date that is more than one year after the date of issue. The interest payment on the Bonds is not "qualified" stated interest for federal income tax purposes and will accordingly be included in the computation of original issue discount. Regardless of whether the issue price of the Bonds is below the par amount thereof, the difference between the issue price of the Bonds and the interest payment thereon plus the amount payable at maturity is original issue discount. Because interest is not payable at an interval of one year or less, all of the Bonds are original issue discount bonds.

Legal Opinion/Tax Status: Chapman and Cutler LLP, Chicago, IL, Bond Counsel ("Bond Counsel"), will provide an opinion as to the validity of, and federal tax exemption of the interest on, the Bonds. Interest on the Bonds is **not** exempt from present State of Illinois income taxes.

Registrar/Paying Agent: The Purchaser will act as bond registrar and paying agent on the Bonds unless an agent is appointed by the Purchaser. However, if no agent is appointed by the Purchaser, appointment will be made at the expense of the Purchaser. The Purchaser agrees to furnish an invoice to the District prior to all payment dates.

Registered or Book-Entry: The Bonds will be registered in the name of the Purchaser unless otherwise requested by the Purchaser.

*Subject to change.

Authorization:

The Bonds are being issued pursuant to the Park District Code of the State of Illinois and the Local Government Debt Reform Act of the State of Illinois, each as supplemented and amended, and an ordinance to be adopted by the Board of Park Commissioners of the District on the Award Date. The Bonds will be sold concurrently with the District's General Obligation Park Bonds (Alternate Revenue Source), Series 2024B.

Rule G-34, as Amended:

Rule G-34, as amended, extends to non-dealer municipal advisors the requirement that a municipal advisor obtain a CUSIP number when advising on a competitive transaction in municipal securities.

Rule G-34, as amended, provides a principles-based exception for municipal advisors in competitive sales from the CUSIP number requirements when selling a new issue of municipal securities in certain circumstances where the municipal advisor reasonably believes (e.g., by obtaining a written representation) that the present intent of the purchasing entity is to hold the municipal securities to maturity or earlier redemption or mandatory tender. Specifically, Rule G-34(a)(i)(F) provides as follows:

“(F) [A] municipal advisor advising the issuer with respect to a competitive sale of a new issue, which is being purchased directly by a bank, any entity directly or indirectly controlled by the bank or under common control with the bank, other than a broker, dealer or municipal securities dealer ... may elect not to apply for assignment of a CUSIP number or numbers if the ... municipal advisor reasonably believes (e.g., by obtaining a written representation) that the present intent of the purchasing entity or entities is to hold the municipal securities to maturity”

Should your bid be the best bid and should this not be relevant in your situation please advise Speer Financial, Inc. immediately.

Purpose:

Proceeds of the Bonds will be used for various capital projects and to pay the costs of issuance of the Bonds.

Security:

In the opinion of Bond Counsel, the Bonds are valid and legally binding upon the District and are payable from any funds of the District legally available for such purpose, and all taxable property in the District is subject to the levy of taxes to pay the same without limitation as to rate, except that the rights of the owners of the Bonds and the enforceability of the Bonds may be limited by bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights and by equitable principles, whether considered at law or in equity, including the exercise of judicial discretion. The amount of said taxes that may be extended to pay the Bonds is limited as provided by the Property Tax Extension Limitation Law of the State of Illinois, as amended (the "Tax Extension Limitation Law").

Security (cont.):

The Debt Reform Act provides that the Bonds are payable from the debt service extension base of the District (the "Base"), which is an amount equal to that portion of the extension for the District for the 1994 levy year constituting an extension for payment of principal and interest on bonds issued by the District without referendum, but not including alternate bonds issued under Section 15 of the Debt Reform Act or refunding obligations issued to refund or to continue to refund obligations of the District initially issued pursuant to referendum, increased each year, commencing with the 2009 levy year, by the lesser of 5% or the percentage increase in the Consumer Price Index (as defined in the Tax Extension Limitation Law) during the 12-month calendar year preceding the levy year. The amount of the Base for the 2024 levy year is \$2,503,622.36. The Tax Extension Limitation Law further provides that the annual amount of taxes to be extended to pay the Bonds and all other limited bonds heretofore and hereafter issued by the District shall not exceed the Base.

The Bonds will constitute the only series of limited bonds of the District payable from the Base for the 2024 levy year. The District is authorized to issue from time to time additional limited bonds payable from the Base, as permitted by law, and to determine the lien priority of payments to be made from the Base to pay the District's limited bonds.

**Illinois Property Tax
Extension Limitation Law:**

The District, as a non-home rule unit of local government located in Cook County, Illinois, became subject to the Tax Extension Limitation Law in 1994 pursuant to a legislative action by the Illinois General Assembly. The effect of the Tax Extension Limitation Law is to limit the amount of property taxes that can be extended for a taxing body. In addition, general obligation bonds, notes and installment contracts payable from ad valorem taxes unlimited as to rate and amount cannot be issued by the affected taxing bodies unless the obligations first are approved at a direct referendum, are alternate bonds or are for certain refunding purposes.

Public Act 89-385, effective August 18, 1995, permits local governments, including the District, to issue limited tax bonds in lieu of general obligation bonds that have otherwise been authorized by applicable law.

Denomination:

Minimum of \$100,000 and integral multiples of \$5 in excess thereof.

Municipal Advisor: Speer Financial, Inc., Chicago, Illinois.

Expenses: The District will pay for the legal opinion, ratings fee and municipal advisor's fee. At closing, the District will deliver one typed bond.

Optional Redemption: The Bonds are not subject to redemption prior to maturity.

Credit Rating: The Bonds have been rated "Aa3" by Moody's. The District has supplied certain information and material concerning the Bonds and the District to Moody's, including certain information and materials which may not have been included in this term sheet, as part of its application for an investment rating on the Bonds. A rating reflects only the views of the rating agency assigning such rating and an explanation of the significance of such rating may be obtained from such rating agency. Generally, such rating service bases its rating on such information and material, and also on such investigations, studies and assumptions that it may undertake independently. There is no assurance that such rating will continue for any given period of time or that it may not be lowered or withdrawn entirely by such rating service if, in its judgment, circumstances so warrant. An explanation of the significance of the investment rating may be obtained from the rating agency, Moody's Investors Service, Inc., 7 World Trade Center at 250 Greenwich Street, New York, New York 10007, telephone 212-553-1658. The District will provide appropriate periodic credit information to the rating service to maintain a rating on the Bonds.

Secondary Market Disclosure: This Bond issue is not subject to the continuing disclosure provisions of Section (b)(5) of Rule 15c2-12 adopted by the Securities and Exchange Commission under the Securities Exchange Act of 1934.

Investor Letter: The purchaser will be required to execute an investor letter, in the form attached as Appendix B, wherein the purchaser will certify to the District and Bond Counsel that it (i) is acquiring the Bonds for its own account and solely for investment purposes and not with a view to any distribution of any Bond or any interest therein or a portion thereof or with any present intention of distributing or selling any Bond or any interest therein or portion thereof and (ii) has knowledge and experience in financial and business matters, including the acquisition and holding of tax-exempt obligations, that it is capable of evaluating the merits and risks of purchasing the Bonds and is able to bear such risks.
