Specifically, Rule G-34(a)(i)(F) provides as follows:

“(F) [A] municipal advisor advising the issuer with respect to a competitive sale of a new issue, which is being purchased directly by a bank, any entity directly or indirectly controlled by the bank or under common control with the bank, other than a broker, dealer or municipal securities dealer ... may elect not to apply for assignment of a CUSIP number or numbers if the ... municipal advisor reasonably believes (e.g., by obtaining a written representation) that the present intent of the purchasing entity or entities is to hold the municipal securities to maturity”

Should your bid be the best bid and should this not be relevant in your situation please advise Speer Financial, Inc. immediately.

Authorization: The Bonds are being issued pursuant to the Park District Code of the State of Illinois (the “Act”) and the Local Government Debt Reform Act of the State of Illinois (the “Debt Reform Act”), each as supplemented and amended, and an ordinance to be adopted by the Board of Park Commissioners of the District on February 11, 2025 (the “Bond Ordinance”).

Purpose: Proceeds of the Bonds will be used (i) for certain capital improvements of the District and (ii) to pay the costs of issuing the Bonds.

Security: In the opinion of Bond Counsel, the Bonds are valid and legally binding upon the District and are payable from any funds of the District legally available for such purpose, and all taxable property in the District is subject to the levy of taxes to pay the same without limitation as to rate, except that the rights of the owners of the Bonds and the enforceability of the Bonds may be limited by bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors’ rights and by equitable principles, whether considered at law or in equity, including the exercise of judicial discretion. The amount of said taxes that may be extended to pay the Bonds is limited as provided by the Property Tax Extension Limitation Law of the State of Illinois, as amended (the “Tax Extension Limitation Law”).

Security (Continued):

The Debt Reform Act provides that the Bonds are payable from the debt service extension base of the District (the "Base"), which is an amount equal to that portion of the extension for the District for the 1994 levy year constituting an extension for payment of principal and interest on bonds issued by the District without referendum, but not including alternate bonds issued under Section 15 of the Debt Reform Act or refunding obligations issued to refund or to continue to refund obligations of the District initially issued pursuant to referendum, increased each year, commencing with the 2009 levy year, by the lesser of 5% or the percentage increase in the Consumer Price Index (as defined in the Tax Extension Limitation Law) during the 12-month calendar year preceding the levy year. The amount of the Base for the 2024 levy year is \$2,272,853.63. The Tax Extension Limitation Law further provides that the annual amount of taxes to be extended to pay the Bonds and all other limited bonds heretofore and hereafter issued by the District shall not exceed the Base.

The Bonds will be the only series of limited bonds of the District payable from the Base for the 2024 levy year. The District is authorized to issue from time to time additional limited bonds payable from the Base, as permitted by law, and to determine the lien priority of payments to be made from the Base to pay the District's limited bonds.

**Illinois Property Tax
Extension Limitation Law:**

The District, as a non-home rule unit of local government located in Kane and DuPage Counties, Illinois, became subject to the Tax Extension Limitation Law in 1994 pursuant to a legislative action by the General Assembly. The effect of the Tax Extension Limitation Law is to limit the amount of property taxes that can be extended for a taxing body. In addition, general obligation bonds, notes and installment contracts payable from ad valorem taxes unlimited as to rate and amount cannot be issued by the affected taxing bodies unless the obligations first are approved at a direct referendum, are alternate bonds or are for certain refunding purposes.

Public Act 89-385, effective August 18, 1995, permits local governments, including the District, to issue limited tax bonds in lieu of general obligation bonds that have otherwise been authorized by applicable law.

Denomination:

\$1,000 or integral multiples of \$5 in excess thereof.

Municipal Advisor:

Speer Financial, Inc., Chicago, Illinois.

The District will pay for the legal opinion and the municipal advisor's fee. At closing, the District will deliver one typed bond per maturity.

The purchaser will be required to execute an investor letter, in the form attached as **Appendix C**, wherein the purchaser will certify to the District and Bond Counsel that it (i) is acquiring the Bonds for its own account and solely for investment purposes and not with a view to any distribution of any Bond or any interest therein or a portion thereof or with any present intention of distributing or selling any Bond or any interest therein or portion thereof and (ii) has knowledge and experience in financial and business matters, including the acquisition and holding of tax-exempt obligations, that it is capable of evaluating the merits and risks of purchasing the Bonds and is able to bear such risks.

PROPOSED FORM OF OPINION OF BOND COUNSEL

February __, 2025

St. Charles Park District
Kane and DuPage Counties, Illinois

We hereby certify that we have examined certified copy of the proceedings (the “*Proceedings*”) of the Board of Park Commissioners of the St. Charles Park District, Kane and DuPage Counties, Illinois (the “*District*”), passed preliminary to the issue by the District of its fully registered General Obligation Limited Tax Park Bonds, Series 2025 (the “*Bonds*”), to the amount of \$ _____, dated February __, 2025, due on November 1 of the year and in the amount and bearing interest as follows:

2025	\$	%
------	----	---

and we are of the opinion that the Proceedings show lawful authority for said issue under the laws of the State of Illinois now in force.

We further certify that we have examined the form of bond prescribed for said issue and find the same in due form of law, and in our opinion said issue, to the amount named, is valid and legally binding upon the District, is payable from any funds of the District legally available for such purpose, and all taxable property in the District is subject to the levy of taxes to pay the same without limitation as to rate, except that the rights of the owners of the Bonds and the enforceability of the Bonds may be limited by bankruptcy, insolvency, moratorium, reorganization and other similar laws affecting creditors’ rights and by equitable principles, whether considered at law or in equity, including the exercise of judicial discretion. The amount of said taxes that may be extended to pay the Bonds is limited as provided by the Property Tax Extension Limitation Law of the State of Illinois, as amended (the “*Law*”). The Law provides that the annual amount of said taxes to be extended to pay the Bonds and all other limited bonds (as defined in the Local Government Debt Reform Act of the State of Illinois, as amended) hereafter issued by the District shall not exceed the debt service extension base (as defined in the Law) of the District, as more fully described in the Proceedings.

It is our opinion that, subject to the District’s compliance with certain covenants, under present law, interest on the Bonds is excludible from gross income of the owners thereof for federal income tax purposes and is not includible as an item of tax preference in computing the alternative minimum tax for individuals under the Internal Revenue Code of 1986, as amended (the “*Code*”). Interest on the Bonds may affect the corporate alternative minimum tax for certain corporations. Failure to comply with certain of such District covenants could cause interest on the Bonds to be includible in gross income for federal income tax purposes retroactively to the date of issuance of the Bonds. Ownership of the Bonds may result in other federal tax consequences to certain taxpayers, and we express no opinion regarding any such collateral consequences arising with respect to the Bonds.

It is also our opinion that the Bonds are “qualified tax-exempt obligations” pursuant to Section 265(b)(3) of the Code.

We express no opinion herein as to the accuracy, adequacy or completeness of any information furnished to any person in connection with any offer or sale of the Bonds.

In rendering this opinion, we have relied upon certifications of the District with respect to certain material facts within the District’s knowledge. Our opinion represents our legal judgment based upon our review of the law and the facts that we deem relevant to render such opinion and is not a guarantee of a result. This opinion is given as of the date hereof and we assume no obligation to revise or supplement this opinion to reflect any facts or circumstances that may hereafter come to our attention or any changes in law that may hereafter occur.
